

Prince Ares

Prince Harry is Ares the spirit of war, anger, fire, and aridness. Ares is connected to Mars the "Red Planet" which emanates the air itself, metals like iron and copper, and the respiratory system in biology. Ares like Air. Aryans are the children of Ares which tend to have red hair like Prince Harry and the red planet. The Windsors are Wind Sorcerers. Air feeds fire. Holocaust means a whole burnt offering. The Greek word Holos means whole and caust means burnt. Prince Harry had dressed up like a Nazi and the House of Windsor were known for their support of Hitler and the Nazi movement especially King Edward VIII. Prince Harry is a captain in the British Army just as Ares is called the "god" of war. The statue of Ares at the Vatican also resembles Prince Harry. Campus Martius or the Field of Mars is located in Rome and is the headquarters for the modern Cult of Mars or Areopagites. Prince Harry is the hidden head of the Aryan Brotherhood and the Nazi Viking cults. In Kabbalah the Gevurah sephirah is associated with the color red and fire and also severity and wrath.

The Aries Zodiac refers to Ares and starts on 3/21 or more accurately on 3/22 and ends around 4/20. During the Aries Zodiac many massacres and explosions or fires occurred along with many other events especially related to war and destruction. The OK City Bombing, Waco Massacre, Columbine Massacre, NATO bombing of Yugoslavia, Happy Land Fire, Mont Blanc Tunnel Fire, Exxon Valdez oil spill, Deepwater Horizon Explosion, Capitol Hill Massacre in Seattle, Virginia Tech shooting, Boston Bombings, West Fertilizer Company explosion, Sloterdijk Train Collision, 2014 Katanga train derailment, USAir Flight 405 crash, Germanwings Flight 9525 crash, Brussels Bombings all occurred during the Aries Zodiac as well as many historical battles, wars, and suicide bombings. The Russian A321 bombing was also a sacrifice to instigate WWII. Some of the disasters I have listed were actually allegorical cover ups.

Skull and Bones uses the number 322 and they are a high level military council and death cult in the United States controlled by Rome and the House of Windsor. Queen Elizabeth II is Ananke the spirit of constraint and "dictator of fate" Prince Philip is Chasm the spirit of Chaos. Prince Charles is Charon the spirit of hell and torment and Prince William is Dionysus the spirit of theater, ritual madness, and blood harvest. The House of Windsor and the Bush family oversee the Skull and Bones for Rome. George Herbert Walker Bush who is a British Knight of the Order of the Bath is Iapetus the Piercer. The Bush family are intermarried with the Pierce family. Vaccinations increased under the Bush administrations. George Walker Bush is Epimetheus the spirit of foolishness or afterthought. Bush Sr. started

the Gulf War and Bush Jr. started the Iraq war because they are members of the Cult of Mars and its connected branch the Skull and Bones.
